APPLICATION FOR LIMITED LICENSURE INSTRUCTIONS

You must read the laws and rules in order to determine your eligibility prior to applying. The laws and rules may be accessed through our website. The requirements for limited licensure are in Section 456.015, Florida Statutes, and Rule 64B4-3.009, Florida Administrative Code.

COMPLETING THE FORMS

Complete all forms by printing neatly in ballpoint pen or typing the information on the forms. It is your responsibility to notify this office in writing if the answer to any application question changes.

1. Applicant Profile Data:

Your "practice location address" will show on the Internet license verification screen. Our licensure database requires two addresses for each licensee. One is the mailing address and the other is the practice location address. The "mailing address" is used whenever documents, renewals, etc. are mailed to the applicant/licensee. Our Internet license lookup provides the public with information on licensed health care practitioners in the state of Florida, including an "address of record". The "practice location address" from the licensure database will show as the "address of record" on the Internet. If you only provide one address, it will be used for both the mailing address and the practice location address.

2. Education Data:

List the degree(s) you hold, beginning at the master's level. Identify your program of study at the school where you received this degree. Include the month and year in which the degree was received.

3. Licensure Data:

List all counseling related professional licenses, including inactive or expired licenses issued from any state, U.S. territory, or foreign country.

4. Applicant History – General:

If you answer yes, you must provide complete details and certified copies of court records/dispositions.

5. Applicant History – Professional:

If you answer "yes" to any question in this section, you must provide complete details. A "yes" answer does not mean the application will be denied, however, failure to provide the correct information may result in licensure denial.

6. Applicant History – Pursuant to Section 456.0635, Florida Statutes: Follow directions in this section.

7. Certification:

Your signature is required. By signing you are attesting that you have provided true and correct information on the application and supporting documents, as well as having read the laws and rules.

8. Social Security Number: Your social security number is required

9. Applicant History – Health:

The Board reviews each applicant's history to determine that the applicant is able to practice the profession with reasonable skill and competence. If you have a history of serious, chronic, or recent mental health problems or addiction to drugs, you must submit a current mental health status report. Mental health status reports must come from a licensed mental health professional, with which you have no personal or professional relationship. **The report should include: a description and summary of the diagnosis, onset, course of treatment, medications, inpatient treatments, outpatient treatments, group settings, factors which have triggered setbacks, compliance with treatment, prognosis, and recommendations for continued treatment.**

Submit the completed application, affidavit for limited license applicant, and either the $25.00 fee or the limited license fee waiver form to the Board of CSW, MFT, MHC, 4052 Bald Cypress Way, Bin C08, Tallahassee, FL 32399-3258.
