HELPFUL INFORMATION ABOUT SUPERVISION

Find A Qualified Supervisor:

Simply use the Department's Public Data Portal located on www.flhealthsource.gov under the Consumer Services dropdown menu to download a current list of Board approved Qualified Supervisors. For detailed instructions, use the Licensure Data Download Guide. Obtain a letter from your selected Qualified Supervisor and send to the Board Office. To submit electronically, simply email your letter to MQA.491@flhealth.gov.

Before Supervision Begins:

Verify that your intern registration number has been issued by the Department and that the Board Office has approved your qualified supervisor. To verify that your license has been issued, visit www.flhealthsource.gov and click "Verify a License." You will receive a letter from the Board confirming your qualified supervisor has been approved. Do not begin supervision until your Qualified Supervisor has been approved by the Board Office.

During Supervision:

Two (2) years of post-master's supervised experience under the supervision of a licensed clinical social worker is required for full licensure.

The supervision experience must have consisted of:

- At least 100 hours of supervision in no less than 100 weeks;
- 1,500 hours of face-to-face psychotherapy with clients; and,

For a blank form, visit www.floridasmentalhealthprofessions.gov and select the Resources tab. The form is available under Forms & Requests.

After Supervision:

Your post-master’s clinical experience hours obtained under supervision must be documented on the Verification of Clinical Experience Form by the qualified supervisor or they will not count towards licensure. This form is not required until the intern is ready to submit his/her full licensure application. Please limit one (1) form per qualified supervisor.
